Side-opening retractable insect screen

LUXE LATERAL 1 LEAF

INSTALLATION INSTRUCTIONS

1. Fix the mounting brackets (1) to the floor and ceiling.
2. Snap the cassette into the mounting brackets.
3. Screw the end profile (11) to the wall opposite the cassette.
4. Fit the cassette end of the bottom guide (14) onto the tabs on the end cap (9), then lower the other end beside the end profile (11).
5. Fit the top guide (15) in the same way and screw it to the ceiling.
6. If the optional ramp profile (18) has been selected, place it on both sides of the bottom guide (14), with the ramp fittings (19) fitted into the ends. Screw the fittings to the floor and fit the covers to conceal the screws.
